Dr. Bruce S. Anderson
Director
Hawaii Department of Health
1250 Punchbowl Street
Honolulu, Hawaii 96813

Dear Dr. Anderson:

We have determined that Hawaii's application for Fiscal Year (FY) 2002 funds, under Part C of the Individuals with Disabilities Education Act (Part C), can be approved. Therefore, I am enclosing your State's Part C grant award.

The approval is based upon our receipt of your assurances for FY 2002. This includes the assurance from the Department of Health that the statewide system of early intervention services required by Part C and its implementing regulations is in effect.

Part III of the FY 2002 application for Part C funds requested updated information about each State's restricted indirect cost rate. Based on that form, it is our understanding that you are not charging indirect costs to the Part C program. By accepting Part C grant funds, your agency (as the lead agency designated under Part C) is agreeing not to charge indirect cost rates to the Part C program.

The enclosed grant award for FY 2002 is made with the continued understanding that this Office may, from time to time, require clarification of information within your application and appendices, if necessary. These inquiries are needed to allow us to appropriately carry out our administrative responsibilities related to Part C.

We appreciate your ongoing commitment to the provision of quality early intervention services to infants and toddlers with disabilities and their families.

Sincerely,

Stephanie S. Lee
Director
Office of Special Education Programs
